Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I must use a medication for  
infertility that is not available in most  
pharmacies. I must therefore purchase  
it across state lines. This medication,  
a compounded medication, is essential for  
the treatment of my infertility.  
Thank You.
